

BABOK[®]
Study Group

YOUR MISSION ...

- **SHOULD YOU CHOOSE TO ACCEPT ...**
- can be found on the following slides ...

(this message will NOT self-destruct 😊)

THE CASE

- In the first session → decide all together on **one** imaginary case
 - which you will use throughout the following 7 sessions
 - on which you will demonstrate your understanding of the different knowledge areas
 - constraints:
 - Sustainable
 - Business (no IT)

THE CASE

- Why an imaginary case?
 - not to favor anyone
(who would provide a real case)
 - to invite you to put yourself in the shoes of the business stakeholders
 - to avoid non-disclosure issues
 - ...

SET UP YOUR TEAM

- Practical setting
 - decide on a team name
 - exchange emails and phone numbers
 - set up your first team meeting
(**CAUTION**: very short timeframe!!!)
 - collaboration: Slack, whatsapp, ...

THE ASSIGNMENT

- In the following 7 sessions
 - 6 sessions, 1 per Knowledge Area
 - a last session:
 - with Summary / Helicopter View
 - graduation ceremony

THE ASSIGNMENT

Knowledge Areas

- per **Knowledge Area** → per **Task**
with regards to the **Case**:
 - describe the **inputs + outputs**
 - which **techniques** you've used and **why**
(can be different than those mentioned
in the BABOK)
 - which **stakeholders** were involved

NOT EXHAUSTIVE !!!

(your presentation time is limited)

THE ASSIGNMENT

Summary Helicopter View

- **demonstrate your understanding of the:**
 - global view of the knowledge areas
 - relations between the tasks (also across knowledge areas)
 - ...

NOT EXHAUSTIVE !!!

(your presentation time is limited)

CAUTION

- **INPUTS** of tasks
 - are often **OUTPUTS** of other tasks
 - within the same knowledge area
 - or other knowledge areas
 - are sometimes **NOT outputs** of other tasks

can be a **CHALLENGE !!!**

CAUTION

- Time in between sessions is very short
 - plan wisely
 - don't be too exhaustive (demonstrate your understanding, not your in-depth knowledge of techniques or so ...)
